

WTC FAQ - ARMY & CODEX

AELDARI: HARLEQUINS

1. Mirror Architect does not combine with the army wide bonus from Path Of Light as one ability is triggered when a unit is selected to shoot and another when the unit is making its attacks. Mirror Architect will also never come into play to determine who is the closest target for the purposes of LOS.
2. When The Arbiter's Gaze would interact with Path of Light, apply attacker's priority.
3. A Twilight Path unit making use of Cegorach's Jest can consolidate up to 8 inches.
