

WTC FAQ - ARMY & CODEX

TYRANIDS

VERSION 1.2 - LAST UPDATE: 27 JULY 2023

1. When a Biovore uses the Seed Spore Mines ability when the mines are set up they do not count as having made a normal move.
2. Spore mines are "Set up" on the table but do not trigger rules that refer to "repositioned units" and never count as being a reinforcement unit.
