ADEPTUS ASTARTES

VERSION 1.2 - LAST UPDATE: 28 FEB 2024

1. If a unit is led by a Lieutenant and embarked in an Impulsor, the weapons fired using the Firing Deck ability do not have LETHAL HITS.
2. Oath of Moment on an attached unit follows the Persiting Effects as per rules commentary. As per the Embark rules on Page 17 of the core rules you may not target a unit that is embarked in a transport with Oath of Moment.
3. Rites of Battle - can be used on an unit that is currently in reserves.
4. When you have several Impulsors (of any kind) with the Orbital Comms Array within 6" of a unit that has been the target of a stratagem you can only roll 1 dice to see if you gain a CP.
5. A unit that has the Hunters Instincts enhancement may use the Rapid Ingress Stratagem to arrive in their opponents first turn.

DEATHWATCH

1. The Tome of the Ectoclades does give you reroll hits and wounds against 2 targets.
