VERSION 1.2 - LAST UPDATE: 28 FEB 2024

1. When selecting targets for the Ruthless Efficiency Detachment Rule you may target both units in Transports, and Attached units. Additionally you my not select a unit that make up part of an attached unit, you have to select the attached unit to be the recipient of the Judgement Tokens. To gain the CP from the Detachment Rule if you've targeted an attached unit all the unit s that make it up need to have been destroyed.
