ORKS

VERSION 1.2 - LAST UPDATE: 28 FEB 2024

1. For all rules purposes when Ghazghkull Thraka is in a transport he and Makari take up the space of 18 models total.
2. When Boss Snikrot uses his Kunnin' Infiltrator ability you may not use the Fire Overwatch stratagem when he is removed from the battlefield, but of course can when he is set up on it.
