# CHAOS KNIGHTS

VERSION 1.3 - LAST UPDATE: 27 APR 2024

1. Knights of Shade does not allow you to end your charge move in a way that would mean that you are inside a wall because CK models have neither the Infantry nor Beast keyword.
2. When a Brigand has any indirect weapons, the closest eligible target, even one hidden from line of sight, will be the sole target for the increased AP attacks.
